VIENNA REPORTS THAT

ish Troops Capture Positions

OF TURKISH HEIRARCHY

BRITISH CORRESPONDENCE

Apparently Little Change in Situation of the Opposing Forces

BOTH SIDES CLAIM GAINS AT IMPORTANT POINTS

Unquestionably There Has Been a Great Loss in Killed, Wounded and Prisoners-Contradictory Reports Continue to Come From the Eastern Area-From Petrograd Comes Word That Austrians Continue to Evacuate Positions Southeast of Lemberg-Official Reports From Vienna Say Russians Have Been Driven Out of Bukowina -British Rejoice at the Destruction of the German Cruiser Emden and the Bottling Up of the Koenigsberg.

The battle in west Flanders and for of which the Emden, burning from the alles to the south, in French territory-beached. miles to the south, in French territorycontinues with unabated furv. From day to day there is apparently little change in the general situation, but each day of the fighting has meant a re-arrangement of forces at certain places, which in the end must be of vast importance when the two oppos-ing forces come to grips in the final

The advantage is claimed by both the Germans and the allies and it is possible that both believe they have made gains at the points where gains are bound to count in the end. Meanwhile there has unquestionably been a great loss in killed, wounded and

The official information from Berlin declares that the western campaign is making satisfactory but slow progress; that 500 French, colored and English prisoners have been taken in the vicinity of Ypres; that further south the German troops have repulsed strong counter-attacks by the British and are advancing and that in the Argonne region favorable progress is be-

Ing made,
The situation in the eastern area is somewhat uncertain owing to the conflicting reports. From Petrograd it is stated that the Austrian evacuation continues of positions to the southeast of Lemberg, in Galicia, and in Bukowina and with respect to the latter territory, that with the exception of a garrison of reservists, no Austrian thoops are left there.

a garrison of reservists, no Austrian troops are left there.
On the other hand, a Berlin dispatch by way of London says that official reports from Vienna announces the evacuation of the greater portion of Bukowing by the Russians, who are Bukowina by the Russians, who are being pursued by the Austrians, Petrograd official reports also claim marked progress in East Prussia.

where the Germans are said to have been driven bage. Professor Pares, the British government's representative with the Russian army, without giving details, or the result of the engagements, says:
"The theatre of the recent operations (in Russian Poland) is of crucial im-

portance. Here Austria and Germany join hands and serious reverses would compel one or the other 'of their capi-

"The loss of German cruiser Imder under the fire of the Australian cruiser Sydney in the Indian Ocean and the bottling up of the Koenigsberg, are incidents which have rejoiced the British public, as both these German warships have been exceedingly active in destroying British merchant vessels. Advices from South Africa report the further rounding up of rebels, not from Pretoria, where an additional 120 have en killed or wounded."
